Become A Medical Intuitive: The Complete Developmental Course

Synopsis

This book provides a complete training experience to become a medical intuitive. Each chapter advances you, step-by-step, to intensify your psychic abilities and develop your x-ray perception. A medical background is not necessary to excel as a medical intuitive. "Become a Medical Intuitive" provides you with the following: How to physically see like an x-ray machine; How to take charge of your energy field; How imagination and intuition work together; Develop inner sight for the deeper cause of illness; See, feel, and sense the entire person on all levels; Understand the electromagnetic energy of thought and emotion; Receive the pure essence of someone's life story; How to use medical intuition as a healing technique; Understand and use the "knowing" you have; Inform without diagnosing; Identify general areas and organs of the human body; Assess auric colors for vibrational accuracy; Actual case studies and assessments to learn from. You are already intuitive. It is only a matter of noticing all of the information you are receiving in a different way. The medical intuitive's life is feeling, sensing, knowing, and perceiving on multiple levels with all of your senses. When you have completed the course contained in this book, you will have truly developed x-ray vision. Contact Tina Zion at www.livingawareinc.com
