## Customer Reviews

Planning a relocation trip to Myrtle Beach, I found this book interesting with some very good information and links. However, I do get a feel that it paints a bit of a glossy picture, and I found some inaccuracies in the text. But overall, it is informative and easy and entertaining to read, and I

would recommend it.

It was helpful getting oriented around Myrtle Beach. None of the restaurants recommendations were super great. Maybe there just aren't any terrific places in MB. I did like a couple of the restaurant bars on the Boardwalk. Good fun relaxed atmosphere.

We used this book a lot to preview sights we were planning on seeing and for the most part it was accurate in the description.

Can plan ahead for trip
