# Black Panther: The Revolutionary Art Of Emory Douglas

## Synopsis

A reformatted and reduced price edition of the first book to show the provocative posters and groundbreaking graphics of the Black Panther Party. The Black Panther Party for Self Defense, formed in the aftermath of the assassination of Malcolm X in 1965, sounded a defiant cry for an end to the institutionalized subjugation of African Americans. The Black Panther newspaper was founded to articulate the party's message, and artist Emory Douglas became the paper's art director and later the party's minister of culture. Douglas's artistic talents and experience proved a powerful combination: his striking collages of photographs and his own drawings combined to create some of the era's most iconic images. This landmark book brings together a remarkable lineup of party insiders who detail the crafting of the party's visual identity.

## Book Information

## Customer Reviews

Emory Douglas was the Minister of Culture for the Black Panther Party from 1967 until its discontinuation in the early 1980s. Colette Gaiter is associate professor of visual communications in the art department at the University of Delaware. Bobby Seale co-founded the Black Panther Party with Huey Newton. Sam Durant is a Los Angeles-based artist. Danny Glover is an actor, producer, and director. Kathleen Cleaver, attorney, author, and senior lecturer at Yale University and Emory Law School, joined the Black Panther Party in 1967. Amiri Baraka is a writer and political activist.

great add to my collection

Perfect! This book was exactly what i was looking for. I purchased it for my hubby for our anniversary. He's borrowed this book four times from our public library because he couldn't find it at our local Barnes and Nobel. So when i found it on for such a great price I had to get it!

This deserves 6+ stars. If you have an interest in the intersection of politics and art, and would like insight into an intense period for both, you must not go past this. I love it so much I have bought additional copies as gifts for friends. The art is stunning, print quality is very high - this is outstanding.

Great quality . Beautiful photos . Great Black History reference , 365 days of the year !

Beautiful book with great artwork by Emory Douglas, makes a wonderful gift

Outstanding hardcover copy!

Great condition!

Awesome book!
