Softcover Vocabulary Workbook

Pretty good shape. Some writing in it and a bit crinkled, but useable from Lesson 3 to the end.

This book was ordered for an online class and there were pages torn out of this work book and my child got zeros on assignments. when ordered was told no pages were missing. Thanks alot!!!!

I really enjoy this book because I like the structure and the interaction as I am discovering the word meanings and the challenge of putting them into their functions.

no leaks,my love I would recommend it to a friend I am so pleased with this product sure I received a working product. High cost efficient, special design make me love it very much. I am satisfying with its quatity.
