Les Vacances Du Petit Nicolas (Folio Junior) (French Edition)

Synopsis

TrÃfÂ"s chouette rÃfÂ©ÃfÂ©dition en format carrÃfÂ© originel et en couverture cartonnÃfÂ©e, Les vacances du Petit Nicolas sont le troisiÃfÂ©me volume de la collection intÃfÂ©grale du Petit Nicolas, rÃfÂ©ÃfÂ©ditÃfÂ©e pour la premiÃfÂ©re fois en 14 volumes. Avec humour et tendresse, Goscinny campe le Petit Nicolas en maillot bain. Bains-les-Mers et la pension de l hÃfÂ©tel Beau-Rivage sentent bon les souvenirs de vacances en famille si... apaisantes ! Et en quelques coups de crayon, SempÃfÂ© donne toute la mesure de son talent en restituant joyeusement la poÃfÂ©sie de l enfance. --This text refers to the Audio CD edition.

This book is by far the best book in the "Le Petit Nicolas" series. It humorously captures all of the little (and big) things that make travelling with children such a tiring and hilarious adventure. The funniest chapter is called "La Plage, c'est chouette" and I have never laughed so hard as when I read the chapter. The vocab wasn't too tricky and I would recommend this book to anyone learning French or anyone who knows French. C'est tres interessant, et moi, je l'aime. Et je pense que vous allez aimer "Les vacances du Petit Nicolas"! Achetez-le aujourd'hui! Buy it today!

Very cute and easy French book. Adorable illustrations.

Le petit Nicolas is the French version of Calvin and Hobbes, only not written in comic strip. It's a

wonderful book every one in the French speaking world should read (at least one of the collection).

Les Vacances du Petit Nicolas is a delightful, heartwarming and above all very funny book. The action takes place in a France long gone by, before cell phones and personal computers, but the themes and situations remain as fresh as the day they were written, and it's easy to identify with the young protagonist as he relates his adventures and misadventures with friends and family. Anyone who's wondered, as a child, at the puzzling behavior of adults, or who has had to navigate the tricky social world of grammar school, will find plenty to enjoy in this slim little volume. I bought *Le Petit Nicolas* (French Edition) when I was first learning French, and I laughed until the tears were rolling down my face. I have since bought all the *Petit Nicolas* books I've found. The stories are so well told, so witty, that they bear reading again and again, and every now and then I pick up one of the *Petit Nicolas* books and read some of the stories. They never fail to brighten my day. Great for readers young and old, *Les Vacances du Petit Nicolas* will be a ray of sunshine in any library. Buy it today, and get to know *Le Petit Nicolas*!

If you know some French, even just a little bit, then you should not miss this book! The stories are from the perspective of a mischievous young French boy, and his observations and ideas will make you roll with laughter. The stories themselves are excellent, but in my opinion it is the way they are told that makes the book a real gem of comedy. The *Petit Nicolas* books are helpful for those learning or brushing up on French. I'd say that anyone who has completed a French class in high school or college should have enough knowledge of the language to appreciate this book. If you're one of those like me who has forgotten a lot of French, then I recommend reading it with a French dictionary handy...it is worth the effort! Recommended highly for those who like to laugh and have at least a basic reading knowledge of French.

This is the second *Petit Nicolas* book I've read. I love him. I think the book is at a 5th or 6th grade level in French. I love them because I don't need a dictionary to read it and the stories are cute and entertaining. Also, I've memorized this statement, "Je me suis mis a pleurer...", because if he's disappointed, he always begins crying! No wonder his mom and dad sent him to summer camp this summer.

My French teacher gave me one of the "*Petit Nicolas*" then I'm so hooked to it. "The GREATEST book ever!" is all I can describe. You'll find Goscinny + Sempe are made for each other and

created such a GREAT & SUCCESSFUL Nicolas series. Just so so so so so..... much fun reading it!
Smiles from bottom of heart!

This is a wonderful collection of humorous stories about Nicolas and his friends while he is on vacation. Set at a hotel and then a summer camp, Sempe and Goscinny managed to continue the success of the other Petit Nicolas series. The French isn't very complex, so this is a good book to read while you are learning.
