Customer Reviews

This is a very nice calendar with photos of various castles from around the world. I rely heavily on my yearly calendar and it has a prominent spot in my kitchen. It's got everything I want to look at for a year - beautiful photos, good space for writing daily activities; moon phases and holidays marked. I appreciate the captions under each photo in case I really love the picture and want to add it my travel list! I like that there is architectural and geographic variety in the castles but that it features many "classics," the most obvious of which being Neuschwanstein as the cover and ending photo in December. I bought it partially so that when I got to December it would remind me of my lovely visit

there.

Very nice calendar, nicely photographed!
