# The Paper Cowboy

## Synopsis

The newest powerful work of historical fiction from award-winning author of *THE LIONS OF LITTLE ROCK* Kristin Levine. Though he thinks of himself as a cowboy, Tommy is really a bully. He's always playing cruel jokes on classmates or stealing from the store. But Tommy has a reason: life at home is tough. His abusive mother isn't well; in fact, she may be mentally ill, and his sister, Mary Lou, is in the hospital badly burned from doing a chore it was really Tommy's turn to do. To make amends, Tommy takes over Mary Lou's paper route. But the paper route also becomes the perfect way for Tommy to investigate his neighbors after stumbling across a copy of *The Daily Worker*, a communist newspaper. Tommy is shocked to learn that one of his neighbors could be a communist, and soon fear of a communist in this tight-knit community takes hold of everyone when Tommy uses the paper to frame a storeowner, Mr. McKenzie. As Mr. McKenzie's business slowly falls apart and Mary Lou doesn't seem to get any better, Tommy's mother's abuse gets worse causing Tommy's bullying to spiral out of control.

## Book Information

Lexile Measure: 0600 (What's this?)

Age Range: 10 and up

Grade Level: 5 and up

## Customer Reviews

Gr 5 Up • Twelve-year-old Tommy struggles with a multitude of problems as he grows up in

the small working class, immigrant community of Downer's Grove, Illinois during the early 1950s. His mother, who suffers from debilitating mental illness frequently lashes out in fits of unpredictable violence that affect the entire family, including his father and two younger sisters. When his beloved older sister is severely burned in an accident that he blames on himself, he takes over her early morning paper route, meeting neighbors and encountering challenges along the way. Despite his valiant efforts to do right and "be like a cowboy," Tommy finds himself acting more like an outlaw, stealing from a local shop and bullying other boys, especially a new-to-town, scar-faced boy he calls "Little Skinny." When Tommy plants a Communist newspaper in Little Skinny's dad's shop, he realizes that his latest prank may have gone too far when it almost puts the shop out of business. As he learns more about the lives of those with whom he interacts, he feels remorse and tries to set things straight. Doing so requires telling the truth, finding surprising answers and nobly asking others for much needed help. Levine deftly captures a time period filled with an overarching paranoia and small-town life filled with tensions on many levels. The story itself is faintly reminiscent of Jack Gantos' *Dead End in Norvelt* (Farrar, 2011), but without the humorous relief. Scenes of violent beatings, emotional hospital visits, and other family and social drama make this historical novel almost too realistic at times. Give it to readers who want to learn about the effects of bullying or surviving life's tough situations. — Madeline J. Bryant, Los Angeles Public Library --This text refers to the Library Binding edition.

Praise for *THE PAPER COWBOY*: \* "A winningly authentic, realistic and heartwarming family drama." — Kirkus Reviews, starred review \* "A thoughtful story about understanding and compassion, distinguished by complex characters and a supportive, tight-knit community." — Publishers Weekly, starred review \* "A sophisticated, powerful story about a community's ability to help one another out, and the paper cowboy who helps bring them together." — Booklist, starred review \* "Tommy's struggle to bring his family together ends up bringing the whole community together. His journey is filled with many lessons for young readers and many historically accurate portrayals of life at that time... the lessons--acceptance of others, coming together to help others, forgiveness, and coping with mental illness--are well worth teaching." — Examiner.com \* "Levine deftly captures a time period filled with an overarching paranoia and small-town life filled with tensions on many levels." — School Library Journal

Praise for *THE LIONS OF LITTLE ROCK*:  
"Creating a book that reads as though written in one effortless breath requires a rare talent. Readers will root for a painfully shy girl to discover the depths of her own courage

and find hope in the notion that even in tumultuous times, standing up for the people you love can't be wrong. Satisfying, gratifying, touching, weighty—this authentic piece of work has got soul.

• The New York Times Book Review "[A] stunning piece of historical fiction."

• School Library Journal, starred review "[A] riveting, frequently tense portrait of 1958 Little Rock."

• Publishers Weekly, starred review "[A] quietly powerful page-turner."

• Kirkus Reviews, starred review Praise for THE BEST BAD LUCK I EVER HAD: "[An] energetic, seamlessly narrated first novel | Levine handles the setting with grace and nuance."

• Kristin Levine

...that it's based on Levine's father. This story teaches us about choices and consequences, and that behind every bully is a person seeking help and control. I also love the theme of differing ideologies, a current issue today. The writing, however, isn't great; I find it simplistic and not overly inspiring. I haven't read other books by Levine, so I'm not sure if this is her style. I will read at least another book by her, though.

This author is wildly accurate and engaging for adults as well as intermediate readers. Her research and settings reflect accuracy in terms of what I remember about growing up in the South. I plan to read all of her works, and am sharing them with my 13 year old granddaughter. She completed THE LIONS OF LITTLE ROCK and said to me, "Do you know what it's like to come to the end of a book, and be sad because you don't want it to end?" My reply, I surely do, particularly after reading this book. I highly recommend this author!

Fantastic YA read!!! So much packed into this book. I would recommend this to any of my high school freshmen as a great read about communism, friendships, family, and bi-polar disorder. Really a fantastic book!

good

You could feel the sting of the belt. Hiding under your desk for protection from the communists. Burning garbage out in a pit. Bullies, standing up for others, neighborhood friends and families. Never any money. But always someone helping out.

Paper Cowboy is a highly engaging and heart warming story. The book has many layers and themes intertwined with likable characters that moves you emotionally to a happy ending. Our book club read this book and everyone LOVED it - adults and kids alike.

Very quick listen and account is honestly told with an ending that is believable.

An unexpected, beautiful story about a family full of problems during the McCarthy era. Wonderful!
