Customer Reviews

(12x12) Star Wars Saga - 2015 Premium Calendar

This calendar is awesome and all the pictures are paintings, which I thought was pretty cool :]

good-looking calendar with ILLUSTRATED characters each month (no photos, but drawings), including: luke skywalker, greedo, boba fett, chewy the emperor, han solo, c3po, droids, jedi, yoda, stormtroopers, tusken raiders, obi wan, vader, princess leia (on hoth), entire calendar is from eps. IV, V & VI.

I'm a big star wars fan. The calendar looks great & the price isn't bad.

It would have been nice to see what the drawings were for the different months. The phallic symbol tower so prominent for January makes it almost not safe for work, but I'm hoping no one notices. The drawings are very well done.

With a family member who has been addicted to Star Wars since the age of 3, this calendar might be just the thing. It is a Christmas present, so I sure hope so!

Any calendar that lets me look at Star Wars and shows me the holidays is a great calendar. Great pictures, easy hang-ability, and tells you the days. What could be better?

Great calendar, great pictures. Arrived in great condition

Love this calendar pictures are great very happy having a cool to keep my dates in line.
