Rediscovering Faith: Understanding The Nature Of Kingdom Living

Synopsis

What is true faith? In *The Power of Kingdom Faith*, Dr. Myles Munroe strips away the common errors and misconceptions surrounding faith to reveal the nature, character, and power of true faith, or, Kingdom faith. Kingdom faith trusts not in the promises of God but in the God who promises; seeks not the blessings of God, but the God who blesses. Kingdom faith will always be tested, but because it places its trust in the King of the universe, will always prevail under testing. Kingdom faith, therefore is a triumphant faith that will overcome the world.

thank you Myles for this book before you and your wife went to be with the Lord. I'm sure you are dancing on streets of gold, experiencing His Kingdom

New insights

I love this book because it's very encouraging. In times like these, we all need to be encouraged to

contend for the faith that was once delivered unto the saints. It gives you an opportunity to rediscover, take back all that the enemy has stolen from you. Its a beautiful thing to have an understanding of the nature of Kingdom Living. Dr. Myles Munroe is an awesome writer and I just love the way God allows him to breakdown things to a level where everyone can understand. The anointing is very strong and real in his life and writings and I love it! I would recommend any and all of his books to everyone because they are very uplifting and encouraging.

First I must inform you Dr. Myles Munroe is my favorite author. The Bible, however, is my favorite book! I believe I have read in part or in full all of the books that the Lord has laid upon the heart of Dr. Munroe. Dr. Munroe is an excellent communicator, and his writings communicate the Truth of the Word of God. This book is for those who must rediscover the faith given by our Lord. Isn't this all or most of us? His writings are full of the Word of God and each chapter importantly ends with 'Kingdom Principles'. Chapter 4 'The Ten Qualities of Kingdom Faith' has been written for every Christian. Dr. Munroe teaches 'like any other country, the Kingdom of Heaven functions by certain laws, and without faith nothing functions in the Kingdom.' This is an excellent book for Sunday School and small group studies, or importantly for individual reading. Read and discover your rediscovering faith!

This made me take a deeper look at the use of my faith. and how much I need to use it so that I can real despoits in my heavenly bank account enjoy this very much.

In "Re-Discovering Faith" best selling author, Myles Munroe, addresses misconceptions about faith. He reveals how God blesses those who claim His promises in the tests and trials of economic crisis, when confronted with health, and physical issues, and when challenged by temptation and spiritual warfare. Each chapter includes Kingdom Principles which will help the reader find contentment and peace by developing their faith regardless of the nature of their circumstances. Munroe's writing is authoritative, with a profound message, presented in an engaging easy to understand style. "Re-Discovering Faith" offers hope for distressing days. Highly Relevant.

My wife love's these types of books priced right also

This book is very well writing. Easy for the reader to follow and understand. Bro. Myles is a very good teacher and author. Faith is the currency of the Kingdom of God. Without faith in God, you can

not operate in the Kingdom. I enjoy reading Dr. Myles books because they challenge you and more than that they change you for the purpose of God's call for us. Without faith it is impossible to please God (Heb 11:6) As of today I am re-reading this book. For a couple day I was stuck on chapter one. Are we as followers of Jesus Christ only believe in Him or of Him. Because of what Jesus Christ can do for us? For a free fish sandwiches or His body and His blood to eat and drink and for satisfied with that.
