## **Customer Reviews**

This is a three book set. The first book deals with how to control and manage anger. The book

discusses anger and gives some reasons why you should not be angry. Then the author discusses how to handle anger and recommends foods and drink that can help us control anger. The material is easy to read and understand. The second book is about being fearless. According to the author, you should learn to control your fear and how to be free from it. The third book in the set is *Controlling Your Emotions*. There are examples and questions to ask yourself so that you may understand your emotions better. This book goes through why we have certain emotions and how we can become emotionally independent. The author suggests using affirmations to gain control of your emotions. Finally, the book includes a chapter on how diet and exercise affect our emotions.

Overall I found the information in these 3 books to have very good useful information. They were direct and to the point which made them easy to follow and easy to read.

IÃƒÂ¢Ã  ¬Ã  „ve actually only read the ÃƒÂ¢Ã  ¬Ã  „AngerÃƒÂ¢Ã  ¬Ã  • part of this trilogy, thatÃƒÂ¢Ã  ¬Ã  „s the part I feel I have the most problems with. The book is simple and to the point, it explains where the anger comes from how to recognize it and ultimately control it. Definitely worth reading!
