I'm just over three months into this calendar and it's been pretty good so far. There are more "good" days than "bad" days so far. Some of the submissions just make you shake your head with our stupid people can be. It's a good buy for somebody looking for a desk calendar, but know your audience. There are some swear words occasionally. It's not fully safe-for-work...

I have been buying these every year for the past 15 years & they never fail to make me laugh. This

is a calendar for anybody & everybody.

It is as stupid as advertised. For several years now my wife and I have begun every Saturday over coffee as I read the weeks worst. Usually puts a happy spin on the rest of the day. Although sometimes it leaves us speechless and we just shake our heads.

My favorite calendar! Order every year; arrives promptly and as described. 365 days of candidates for The Darwin Awards!

A fun way to start each day, with the hope being I won't find any quotes from ME in there.

The sayings are truly stupid and it gives me a great chuckle everyday. You can probably tell that I don't get out much.

buy you calendars a month after the new year starts.....you'll get 75% or more off.

I buy this calendar every year for my husband. He just loves it. Funny stuff.
