This Means War: A Strategic Prayer Journal

Synopsis

You've got battles to fight—on your knees. The teen years can be tough; don't try to make it through without one of your most powerful weapons—prayer. A companion book to the movie *A War Room*, this new kind of journal will get you ready for a new kind of prayer life, one that's strong, growing, and reflects just how powerful prayer is. Each short chapter tackles one of the biggest questions teens have about prayer, questions such as: Why pray, anyway? What should I pray for? Are selfish prayers okay? Who should I pray for? Am I really supposed to pray for my enemies too? Will God listen? And will He answer? Just-right journaling prompts will then get you thinking—and praying—and reinforce the real power of fighting battles on your knees.

I'm an adult woman and purchased this journal for myself while waiting for the adult version. I love it! Having just done the first few pages I was already touched by pondering and writing out my answers to the questions. I realized I have work to do on my own prayer life and feel like I now have a plan as I work my way thru the book. It's also pretty cool looking. I think as a teen I would have been pretty excited about it as well. I read War Room and am looking forward to seeing the movie.

This book was purchased for my daughter. We will be doing a Bible study with this as part of the materials. She looked through the book and was very impressed with the content. She thought the cover and set-up to be pretty cool as well! Looking forward to using this book to help in her continuing spiritual growth. We have found all of the dvds, books, and materials put together by the Kendrick brothers to be excellent!

Very good book for prayer beginners and experienced warriors. Excellent for praying specifically.

This book is so helpful as it gets me a jump-start on my prayer life. A must-read-and-do for teenagers who are struggling with spending time with God, or who just want to make their already-awesome prayer life even better!

Not as "hip" as I'd hope for a teen to read, but for a teen that likes to read and learn and grow, this is well written in my opinion. Plenty of places for them to make notes and answer author thought questions as well as a place for answered prayer tracking. I bought these for my 2 teens for Christmas to pair with the movie.

Great product, exactly what I wanted!!

Love this series! I've been doing a kid's/early teen bible study at church with great results! I highly recommend this series.

Great book, fast service and youth can definitely relate to this book (written for teenagers).
