# Christian Books For Children : Finding God: Bedtime Stories For Kids (Little Christian - Kids Books Book 1)

## Synopsis

This beautifully illustrated children's picture book connects God to tangible things for young children. All parents, regardless of personal religious beliefs, will need to discuss the big question "Where is God?" with their children at some time or another. This book makes the experience a positive one. European children's author Bea N Balint believes God is present everywhere. She encourages young children to find spirituality in the simplest of things. God is in every person or being, so we have to treat everybody equally, irrespective of gender or race or age. Because God loves us all, no matter if we are :Big or Small; Short or Tall; Black or white; Silly or Wise!

## Customer Reviews

Beautiful and heartwarming story for everyone! The author poetically brings you to Him through the tale of a young curious cub exploring the world to find God. In deed what's found is a most perfect example of how to see God...through the innocent humble eyes of lil ones you'll discover a rather simplistic enlightening approach to finding God.

Perfect for kid's as young as you choose because it short & sweet are teaches the story in simple slightly rhythmic words to hold the attention of young kids too busy to stay still & into the book. my daughter loved this book as much as I did. Also has good illustrations.

This is a gentle, charming little story with lovely illustrations, teaching that God is everywhere, and thus respect for all life. Loved the little bear's gratitude for his blessings, and his search for God to express his gratitude. The story is easy for kids to understand, and it's not just for Christmas.

This is a beautiful little poetic book that I will read over and over again to my new grand baby and future grandchildren. I found tears in my eyes as I read it for the first time. It speaks to the little child in all of us who have child like faith in our Heavenly Father!

This version was not well suited to my kindle fire 7" hdx. The pages were very small and didn't fill the screen.

This is a cute, simple children's book with a great message. Enjoyed reading it to my daughter.

It's so good to know books are still written about God, our Lord & Savior, a simple fun loving manner!Thank you.

My son always asks me where God is! Mommy I can't see him. I always explain that he is in your heart he is everywhere. Love this book. He loved it too! Perfect for my child.
