100 Things To Do In Pittsburgh Before You Die (100 Things To Do Before You Die)

Synopsis

Pittsburgh offers more activities than much larger cities. For example, entertainment options abound in a city with its own ballet, opera, and symphony and visiting Broadway series. For the younger crowd, Pittsburgh is Kidsburgh (dinosaurs and so much more!). And locals and visitors alike enjoy a seemingly endless array of arts and cultural attractions - many bequeathed by the industrialists who defined the city's past. Recognized for its renaissance, the area has a certain Old World charm that mixes harmoniously with the emerging high-tech culture. It's also one of the country's greenest regions in more than one way, offering premier outdoor recreation as well as a record number of sustainable buildings, many housing attractions open to the public. The surrounding vista stuns, with urban views that provide both chills and romance. And distinct neighborhoods reveal their own unique character, offering enticements in all corners. There's much to do in the city's heart or within a short drive. Smart and friendly, Pittsburgh promises a mighty welcome. And this book offers a guide to anyone who wants to make the most of their time in this hip and historic destination.

Pittsburgh offers more activities than much larger cities. For example, entertainment options abound in a city with its own ballet, opera, and symphony and visiting Broadway series. For the younger crowd, Pittsburgh is Kidsburgh (dinosaurs and so much more!). And locals and visitors alike enjoy a seemingly endless array of arts and cultural attractions many bequeathed by the industrialists who defined the city's past. Recognized for its renaissance, the area has a certain Old World charm that

mixes harmoniously with the emerging high-tech culture. Its also one of the country's greenest regions in more than one way, offering premier outdoor recreation as well as a record number of sustainable buildings, many housing attractions open to the public. The surrounding vista stuns, with urban views that provide both chills and romance. And distinct neighborhoods reveal their own unique character, offering enticements in all corners. There's much to do in the city's heart or within a short drive. Smart and friendly, Pittsburgh promises a mighty welcome. And this book offers a guide to anyone who wants to make the most of their time in this hip and historic destination.

As a former communications professional with the region's tourism organization, Beth Geisler has hosted hundreds of travel journalists who came to tour Pittsburgh. Time after time, these guests reported on how cool and modern the city is, exceeding all expectations. Her passion is continuing to get this message out. She can find no reason to leave the city she loves and will continue to line up for pierogies, world-class performances, and all the other fabulous offerings that Pittsburgh holds.

Gave as gifts to my family. Good ideas for visiting places around Pittsburgh never knew so many places to visit.

Very informative lots of interesting places. Just love Pittsburgh

I was quite disappointed. It was not what I expected

Nice summary of cool things

Probably better for some just coming to the city. But, I didn't find it interesting.

I now have many things to accomplish!

I lived in Pittsburgh for over ten years. In this book I found not only my old favorites, but several things I'd been meaning to do forever, and several new things I didn't even know existed. Obviously a native of Pittsburgh would have to know many of the 100. But how can anyone talk about Pittsburgh's attractions without mentioning the historic museums or landmark institutions like Primanti Brothers? Google and restaurant guides are based on advertizing and most number of hits -

mostly an inside perspective on the advertising budgets of the top hits and very little more. Anyone that reads this book can instantly tell that it was not only written by a person that has experienced Pittsburgh, but by a person that truly loves the city as well. Whether you are visiting Pittsburgh for the first time or have lived there all your life I believe you'll find wonderful recommendations in this book.

Did not meet expectations.
