TEN Postcard Worthy Locations: Within 10 Miles Of Miami International Airport

Synopsis

Travelers too-often experience fruitless, fragments of days - that time on the front porch - the end and tail of a vacation, especially when flights are scheduled to arrive too early to check-in to the hotel, or leave scant time to engage in a meaningful excursion before a flight home. This book offers a solution in a visual guide to TEN Postcard Worthy Locations close to Miami International Airport - known to locals as "MIA." For cruise-ship passengers and those facing a mandatory evening stay before flying to Europe or South America, this guide offers a taste of Miami - all within a short drive. For those with more time, this guide may serve as a self-styled TOP 10 list of places to experience while visiting Miami - The Magic City.
