Great book! Good for any young man. Easy to read and understand. Very inspiring. I am a youth leader and I give this book to each of the guys in my group (ages 12-18) when they get baptized.

This book helped me to reach the heart of my teenage son. Every father should have a copy to

share with his son. The earlier the better!

Great book for young men. I would recommend it for every young man. Would definitely buy again. Received it on time and in great condition.

This is a great book. My son absolutely loves it. This is one of the first Christian books that he read with genuine interest and enthusiasm. He also took the time to answer the questions. The service was prompt from the seller. The product was as described.

A nice easy read for young sons. The stories in the book are real and properly illustrate the need for young adolescent males to pursue God in their lives!

Gift to a young man. It seemed to be well received

My husband gives this book to the at-risk youths he mentors. Very helpful to him in introducing Christ into their lives. As he says, he plants the seed and lets the Lord do the rest.

Excellant book
