Heart To Heart Stories For Dads

Synopsis

Heart to Heart Stories for Dads is a timeless collection of memorable tales that show, rather than just tell, what fatherhood is all about. They are stories of unconditional love, of dependability, of strength, and of character--stories that will cause you to reflect about what it is that makes the love of a father so important. Includes colorful interiors and illustrations. "The stories in this collection reveal the many faces of fatherhood, the qualities a father should have, to a generation that is in short supply of the genuine article. And they give real insights into the love of the heavenly Father of us all." --Joe L. Wheeler
