advocating for students

Thought this was more basic for parents. It's a little more in depth then I planned for.

Great resource for clever ways to do interventions with kids!

Outstanding book and in great condition

A playful way to strengthen executive function skills. Includes an excellent summary of brain research, executive function skills, and the critical role of physical activity. Favorite activities from the book include Flashlight, Picture This, and Freeze Dance.

This book is so much deeper than the title suggests! I have done the first few activities with my students am so eager to use the rest!

I have not recieve this book yet!

Works as advertised..I ultimately did not use it as I was not sure of the photos taken in the case.We were in Alaska and I wanted to make sure my photos were taken he best..Good value for the money..

no problems
