Customer Reviews

Perfect reading for the Minecraft generation.

Very funny. My son loves the main character. The author does a great job of creating something that seems to come from the kids' own worlds. They understand the jokes, the world, the

characters. That's very special. The story telling isn't very complex though and feels a little bit cheap. I wish the writing were a bit more careful

As usual my grand- daughter enjoy the book, just another in the series of great reading.

My granddaughter loves all the Diary series

my granddaughter loves these

My son is itching for the next one!

All of these Diary of a Minecraft Zombie books are awesome. My son and I read them together. They make us laugh and nothing is better than that kind of quality time with your child.

8 year old boy loves it!
