Customer Reviews

Praise for The Yeti Files #1: Meet the Bigfeet: "Fans of the 'Bad Kitty' and 'Captain Underpants' titles will certainly love the first in this series of illustrated chapter books." -- School Library Journal

"Illustrator Sherry's first volume in the Yeti Files is a fast and funny graphic-prose tale full of labeled pictures and comic-style panels." -- Kirkus Reviews "[Sherry's] characters . . . have all the googly-eyed charm that makes his picture books so much fun." -- Publishers Weekly "This fast-paced and funny tale is told in comics-style panels and labeled black-and-white illustrations of goofy monsters and cartoonish villains. Good stuff for readers beginning to move into chapter books." -- Booklist "Charming characters, hilarious illustrations, and a big bunch of fun!" -- Dav

Pilkey, creator of Captain Underpants

Remy Sneakers is not a thief! To clear his name Remy needs some help from the city critters. But mice, rats, and pigeons are not exactly best buds. Yet they will have to band together if they want to stop the real criminal mastermind and save their city from total destruction by an army of robo-rodents!

This book arrived today and my son is already half way through it. He loves the Yeti Files and Dave Pilkey books and this one is similarly appealing. He is a first grader, but reads at a third grade level.
