Customer Reviews

A must have in some edition. Scott's Stamp Catalogues are great references for understanding and dating stamps. A must have for a collector who wants to know more about their stamps.

I used Scott's all the time. This was exactly as described. If I need an updated catalogue and the seller has one for sale, I will definitely purchase one!

Very nice

This was a gift for my father. Prior to that, he owned the well-known french Hiver catalogue of the early 21st century and he decided to switch to Scott.

Great price. Just what I wanted. Quick shipping.
