Age Range: 2 - 5 years

Grade Level: Preschool and up

Customer Reviews

Got this book for grandchild for Valentine's Day. She couldn't put it down. Gave it to her at her 2-year-old birthday party (near Valentine's Day). She just loved it. She went around showing it to everyone. We asked her to point out all of the Disney characters in the book and she did. I think this will be one of her go-to books for a few years. Highly recommend!

We love this book in our house! Our favorite Mickey Mouse! What a classic. The color are beautiful and bright just right for a child's eyes . The book is small enough for a child's hands but not too small that it bores to child. I love this book for everything it offers. A great story about love and a great book to get around Valentine's Day!

I bought this for my grandson and he loves it. The graphics are bold and cute. He even slept with it. He's almost 2. It's one of his favorite books.

Such a cute story. I gave it to my 18 month old for Valentine's Day. She loves it too!! Who doesn't love Mickey and friends?? And it's cute illustration.

Purchased for grand and she loves the book. Has me reading it over and over!

Great for friend's new born.

This book was really cute, it was the perfect V-Day gift for my Son.

I sent this to my grandchildren and heard they love it!
