Customer Reviews

My now 16 month old is going on his third book. He loves this book!! He's had this book since he was born and he loves how interactive it is. He loves to open the flaps and he knows all the characters. He's now able to point to the characters by name, butterflies, flowers, leaves, and bees. You can teach them about colors, seasons, vegetables, etc. Great book!!

My 2 year old loves this cute peek a boo book!! It's simple but really cute if your child loves Winnie the Pooh

My toddler loves this book! He's memorized all the words and loves the flap aspect!

We accidentally left this at a church so this is our second copy.

Our little Ben loves this book! Wonderful board book.

good book to read to my toddler

Super cute story and nice interaction for babies/toddlers. Nice colors.

Good book for kids who like interacting with the book and playing peekaboo. Seems durable and like it will hold up for a while.
