Prague (National Geographic Destination City Map)

Synopsis

Well known for its rich history and historic city center, Prague is one of the most visited cities in all of Europe. Expertly researched, National Geographic's City Destination map of Prague is a unique combination of an easy-to-read road map with a travel guide. The front side covers the five quarters of the city center with unparalleled detail. Road designations are shown and hundreds of points of interest are pinpointed, including subway, train and tram stations, theaters, hotels, places of worship, notable buildings and parks. Many of the city's top attractions are depicted in 3D, including the Prague Castle, Charles Bridge and National Museum. The reverse side has a regional map as well as inset maps of the Castle District and Charles Bridge. Finding your destination couldn't be simpler, with streets names, parks, hotels, metro stations and points of interest listed in a convenient index. A comprehensive map of the city's three metro lines will aid in your navigation around the city, as will a diagram of Prague airport and an overview of the city's public transportation. Also included is essential information about the city and descriptions of many of the most popular attractions. Such an abundance of specialized information make this map the perfect complement to National Geographic's Prague Traveler Guide. Every Destination Map is printed on durable synthetic paper, making them waterproof, tear-resistant and tough • capable of withstanding the rigors of any kind of travel. Map Scale = 1:7,250 Sheet Size = 24.75" x 17.75" Folded Size = 4" x 8.75"

Founded in 1915 as the Cartographic Group, the first division of National Geographic, National Geographic Maps has been responsible for illustrating the world around us through the art and science of mapmaking. Today, National Geographic Maps continues this mission by creating the world's best wall maps, recreation maps, atlases, and globes which inspire people to care about and explore their world.

Decent map, printed on semi-glossy stock so it looks waterproof and seems sturdy. Excellent if you are walking around the very center of Prague, because the streets and symbols are big and easy to read. Doesn't have much information on public transportation, though, just a small subway map on an inset diagram and subway locations marked on the main map. Nothing on trams. Not very useful if you are going outside the central part of the city, but there is a nice map of the airport. A lot of space is used up for text information which is very useful for tourists.

The map is ideal for the inner city and for the tourist spots but is not a good map of the city as a whole. The add gave the impression that it is a city wide map.

Quality and detail are fine as far as it goes, but it needed another couple inches of the city for my needs.

Useful.

nice map easy to use

cool map

Of limited use. Doesn't show the Metro lines on the map, for instance. Some places are translated into english, some are not. Look elsewhere. I bought this map at Barnes and Noble.
