# Cream Of Sweet (Chocolate Cozy Mystery Book 1)

## Synopsis

Chocolate Cozy Mystery series can be read in one to two hours. It is perfect for those moments when you are waiting at an appointment or want to enjoy a quick read. Hazelnut pralines, coffee crÃƒÂ“mes, strawberry mousse delights and chocolate drops Ã¢â€œ little bits of heaven that Olivia makes at the Block-a-Choc Shoppe; scrumptious. Could anything ever dampen these yummy treats? Maybe one thing. MurderÃ¢â€œ When Lizzy Couture, a less than liked member of the community, is found murdered, Olivia is a suspect. After one of her chocolate drops, with just a dash of arsenic was found to be what killed Lizzy, Olivia knows she must get to the bottom of this. Olivia is not a killer! Olivia teams up with a P.I. for help, and on the way, they realise just how many people disliked Lizzy and were capable of killing her. Will they ever find the murderer? Will Olivia remain wrongfully accused? YouÃ¢â€œ ll be guessing until the very, very endÃ¢â€œ

## Customer Reviews

Olivia is trying to make a success of her chocolate shop in the town of Chester. A big step in

realizing her dreams is the *Chesapeake Fall Festival*. She is setting up her booth when along comes Lizzy Couture, a miserable busybody, who just happens to be on the Council, and a writer for the local newspaper, and spoiling for a fight. Olivia chooses to abandon the field of battle for the day, hoping Lizzie will go away. She did but in a way Olivia never dreamed; she had retreated to her chocolate shop to prepare candy for the big day, when an arrogant detective shows up announcing Lizzie was dead,. She died after eating some of Olivia's candy and he had witnesses to the argument between Olivia and Lizzie. I won't let any more of the cat out of the bag, but I will say I recommend this book to anyone who likes a cozy mystery. Also, if you like it, please leave Wendy Meadows a review; it is so important to those of us who try to sell Kindle Books.

After reading book 2 and was disappointed I revisited this book as it had no impact after the first read. Comparing the two books. I still feel some explanation of the As should have been mentioned. References to book 1 also had no meaning as there was no explanation. It's minor but if the books are read as a stand without a frame of reference to understand background, they make no sense.

I REALIZE THIS. IS THE. FIRST. BOOK IN. THIS SERIES, BUT OLIVIA is GOING TO HAVE to get better as a mystery solver. Sure hope these books improve. I'll try the second book when it is out , we will see!!!

I liked this story. Great town and characters. The chocolates sound wonderful. Good, enjoyable story that only takes 1-2 hours to read. Great reading on a summer afternoon.

A fun read for a long wait at the doctor's etc. Just a touch of possible romance, lots of drool-worthy chocolates and lots of supporting friends to encourage solving a mystery.

Olivia is accused of murder and finds the responsible person, to clear her name. Interesting story for a candy maker!

Great characters written in true vein of a well written cozy mystery. I recomend this book as it is a clean read!

This was a very entertaining read. It was a fast read, it flowed well, which helped to make it a quick

read. Even though it was not a full length novel, it had a lot of content. I enjoyed meeting Olivia, her three A's, her dog Dodger, and her new PI, Jake. There was not much information on the victim, though, but it was clear she was not liked, making for many suspects. Olivia gets off onto the wrong trail, but she soon figures out the mystery. If you are looking for a quick, fun read, then this is the book for you. I received a complimentary copy of this book.
