Cicero: Selected Works

Synopsis

Collecting the most incisive and influential writings of one of Rome's finest orators, Cicero's *Selected Works* is translated with an introduction by Michael Grant in Penguin Classics. Lawyer, philosopher, statesman and defender of Rome's Republic, Cicero was a master of eloquence, and his pure literary and oratorical style and strict sense of morality have been a powerful influence on European literature and thought for over two thousand years in matters of politics, philosophy, and faith. This selection demonstrates the diversity of his writings, and includes letters to friends and statesmen on Roman life and politics; the vitriolic *Second Philippic Against Antony*; and his two most famous philosophical treatises, *On Duties* and *On Old Age* - a celebration of his own declining years. Written at a time of brutal political and social change, Cicero's lucid ethical writings formed the foundation of the Western liberal tradition in political and moral thought that continues to this day. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

Customer Reviews

Marcus Tullius Cicero (106-43 bc), Roman orator and statesman, was born at Arpinium of a wealthy local family. Having been educated in Rome, by 70 bc he had established himself as a leading

barrister and was beginning a successful political career. Cicero received honors usually reserved only for the Roman aristocracy and was one of the greatest Roman orators. Michael Grant has been successively Chancellor's Medallist and Fellow of Trinity College, Cambridge, Professor of Humanity at Edinburgh University, first Vice-chancellor of Khartoum University, President and Vice-chancellor of Queen's University, Belfast and President of the Classical Association.

Even though Marc Antony had him beheaded, he is the most near complete writer from the remains of that empire. And he is still very notable in Rome's revolutionary and civil war period that came with the death of Ceasar. Read this orator for more the factual instead of the epic verses renditions of Rome's empiricalera.

Can't go wrong reading a wise man. I'd prefer it to be a little more pithy, better edited for punch lines, but it is complete.

As expected. Very good

Hilarous given what happened to Cicero.

Excellent in all regards

Book was in perfect description and arrived very quickly. Thank you so much, my son is going to Love it!!

Absolutely superb in all respects, both the main texts and also introduction, footnotes etc. It is a classic and a renowned publication for modern readers.

A must read for anyone especially for those interested in Ancient Roman History. Cicero was an exceptional man who lived during the time of Julius Caesar. I only wish I could somehow travel back in time to see him in the law courts and listen to his speeches. I have read this particular biography 3 or 4 times and will read it again and again I am sure. I am not a scholar yet this well written story suits my laymans mentality very very well.
