Customer Reviews

I was thrilled to find this line of sheet music from Hal Leonard. So many times you love a song that you heard sung by a performer, but when you get the sheet music the key is unsing-able (often because the music is aimed for easy playing on a piano not easy singing).

Great for those of us who sing lower than most girls.

Arrived just as described

I emailed my daughter's music prof to see what books she would like her to have! This is one of the ones she requested! I found it on and it was a perfect gift for my daughter! Thanks for always
