David L. Scott & Kay W. Scott have spent twenty-eight summers touring the United States and Canada in a series of Volkswagen campers, and two summers backpacking through Europe by rail. They live in Valdosta, Georgia, where David is a professor of finance at Valdosta State University and Kay is retired from the public schools.

My wife and I spend a few nights each year in various National Park lodges and this is exactly the kind of companion that we were looking for. While it isn't perfect (it could use more pictures of both the lodges and rooms), it contains a lot of great information. We are traveling to both Glacier and Yellowstone this summer and this contains lots of the information that we are looking for.

This book is so helpful when planning any National Park trip! I actually read a review on Trip Advisor that recommended this book. I am so glad I bought it because I had no idea that there were so many lodges! I would have missed out for sure on our upcoming adventures!

Great Seller Great Product

A very informative book when you're ready to dig into the National Parks.

Great book. There is lots of good information, we have not found anywhere else. It was certainly worth the \$\$\$\$.

I was surprised that some of the info was outdated but overall good

Just what we were looking for; a good, comprehensive review of the lodges. Well worth it!

This is a very helpful and beautiful book! Highly recommended !!
