Customer Reviews

Everyone wants an old fashioned Christmas. Not the commercialized one of today. We tend to forget the real meaning of Christmas--JESUS

I loved the snowy Christmas setting of the story and the love story. It's a warm comforting story that moves the love story a bit faster than I usually expect but it is like warm hot chocolate on a cold day. I read it quickly and eagerly and the story ended much too soon. Great story, I enjoyed it.

It made me think and understand how a parent's separation can affect a child let alone several children. Also losing my husband of 23 years I felt the same feelings. We as grown adults cannot disrespect our parents but at the same time we have to stand up for our view of life at times,

I really didn't enjoy this book. To me it really wasn't about the Amish. I felt it was a sweet love story but it did disappoint me as I usually love books about the Amish and this one did not seem to cover their traditions, feelings, beliefs, and ways of life like other authors of this subject matter do.

Its like a Hallmark movie, sweet and funny but so so predictable.

Another great book by Samantha Bayarr. True love comes around one time a story of more than one true Christmas miracle in more ways than One Great book love it.

Amish books are my favorite and this one didn't let me down.

The story progressed too quickly and made it seem unrealistic to me.
