This book is great. It was a lot of fun at Christmas and garnered a few good laughs. Fair warning to those who might want to buy this for a child; One of the pages has a drawing of a stripper zombie.

I bought this for my eleven year old son, and he loves all of the (hip)characters. There are hours of fun printed on these gruesome pages of zombie madness. My son even colored a page for my studio wall, Peter the Punk Rocker.

Not very imaginative.

made my zombie obsessed roommate smile. that's not easy to do.win win!

Not many pages in book. Very crude, childish drawings. Definitely not worth the price

Wonderful adult coloring book for the zombie lover in your life. Would like to see some easier pages mixed in for those days you're just not up for all the intricate detail work. But still well worth getting. Giving this as a gift to my 25 year old son.

Would've gave a 5 star, but the photos are on each side so they bleed thru to the other photo

I am a huge Zombie lover and I loved the images in this book! I hope there is another one soon!
