The Middle School Rules Of Brian Urlacher

Synopsis

For more than a decade, Brian Urlacher was the faceÂ of the Chicago Bearsâ "one of the NFLâ ™s most storiedÂ franchises. An eight-time Pro Bowl middle linebacker,Â Urlacher established himself as one of the leagueâ ™sÂ preeminent defenders with his athleticism, intelligenceÂ and ferocity. He is widely expected to gain entrance intoÂ the Pro Football Hall of Fame when he is eligible in a fewÂ years which is not bad for an athlete from Lovington,Â New Mexico, where his coaches did not even see collegeÂ potential in him until his junior year of high school.Â The Middle School Rules of Brian Urlacher features the real-life childhood stories and exploits of young BrianÂ Urlacher and illustrate how they shaped him into theÂ world-class athlete he became.Â The first of The Middle School Rules series, these booksÂ not only entertain, but also inspire greatness in theÂ next generation by highlighting the importance of beingÂ your best, overcoming adversity, and reaching yourÂ dreams through discipline and hard work.

Age Range: 9 - 14 years

Grade Level: 4 - 8

Customer Reviews

Sean JensenÂ was born in South Korea. He was adopted and grew up in California, Massachusetts, and Virginia, mostly on or near military bases. Given his unique background,

heâ™s always been drawn to storytelling, a skill he developed at Northwestern University and crafted as a sportswriter for the last 16 years, almost exclusively covering the NFL. During his career, heâ™s fostered strong relationships with athletes in multiple sports, and penned award-winning features on Derrick Rose and Adrian Peterson, among others.Â

Sean Jensen is an incredibly passionate storyteller and talented writer. He has a gift for capturing real life stories that truly have an impact on his readers. I wish there were more writers like him to provide our children with inspirational stories. I know that for my son and me, the story about Brian Urlacher's childhood told by Sean will have a lasting impact. I too hope that if my son is faced with adversity and challenges during his childhood, he will face them head on without excuses.

A great read for middle school boys, younger readers, or anyone interested in this legendary football player. The stories follow Brian Urlacher from a young kid, through his middle school years, and finally into high school. Each chapter highlights an obstacle he faced (like being "the short kid"--who knew?!?) and how Brian worked through the challenge. Some parts were really funny, and some anecdotes made you appreciate how much teamwork can impact a kid's life. Great illustrations throughout.

This book is a book about Brian Urlacher and thus sort career from middle school to high school. I gave this book a high rating because I love sports books. I would recommend this book to anyone who like biographies and/or sports books.

My fourth grade daughter read this in a few hours. She is not a football fan, but she still enjoyed it immensely. The lessons of perseverance and overcoming adversity are universal. I highly recommend this book to parents or teachers who want their children to dream big and work hard.

My 12 year old son loved this book.

I gave this book to my eleven and twelve year old grandsons in Middle School. Brian Urlacher is a good man and worth listening to by young men.

Bought this one as gift and planning on buying another book for my son for his birthday coming up later this year. Bears fan!

My fourth grader finished the book in two days, and really enjoyed it. He even said that 'all NFL players should write a book like this'. Great work, Brian!
