Customer Reviews

The Appalachian Mountain system provides paddlers with a whitewater playground which spans fifteen states, and Appalachian Whitewater: The Southern States provides in-depth coverage of the rivers you want to know about. With difficulty levels ranging from class I to class VI, there's something for everyone in this compilation of classic Southern rivers. Whether you're a veteran or a beginner, this book will prepare you to test your skills on the rivers of Alabama, Georgia, South Carolina, North Carolina, Tennessee, Kentucky, Virginia, Maryland and West Virginia. What's more, this guide gives you the information you need to know about each river in a straightforward and easy-to-read format. Detailed river descriptions include photographs and maps, as well as essential data such as access, difficulty, portages, gradient, hazards, water level, rescue index, velocity, average width, gauge, highlights and scenery. There is enough whitewater in the Appalachians to last the most avid paddler a lifetime, so we have selected only the finest runs in the southern states. From mellow ambles to the most challenging rapids, the rivers detailed in this book are all undeniably gorgeous. (8 1/2 x 11, 288 pages, maps, b&w photos, charts)
