Does the world really need another anthology of Jewish mystery stories? Probably not on the other hand, who does it hurt? Following up on his similarly themed 1999 collection, *Mystery Midrash*, editor Raphael has persuaded a dozen mid-list mystery writers to search their souls (or their trunks) for stories that have something to do with Jewish religion or history or philosophy. The result is a decidedly mixed bag and one that doesn't contain much mystery. Three stories are about synagogues in trouble, helped out by one current and two former cops; two stories concern lawyers struggling with difficult clients; one is about a present-day therapist and another about an ancient Israelite judge. They range in interest from Stuart Kaminsky's fascinating look at a much-younger

Abe Lieberman ("The Tenth Man") to Lev Raphael's weirdly intriguing "Your Papers, Please," which manages to combine homophobia, Jewish self-loathing and academic paranoia in a few short pages. A foreword by Laurie R. King should lure her fans. Copyright 2001 Cahners Business Information, Inc.

This anthology, a sequel to *Mystery Midrash* (1999), features 12 new crime stories on Jewish themes by some well-known genre authors. The quality of the stories varies from Sandra Levy Ceren's rather unimaginative "Silver Is Better than Gold," in which a Jewish Chinese psychologist is told by one of her clients that he is a target for murder, to Stuart Kaminsky's compelling "Thy Brother's Blood," in which a neo-Nazi on Death Row leaves a Talmudic riddle for a lawyer who once defended him. Overall, the stories effectively combine Jewish content with the traditional conventions of detective fiction. Laurie King provides a clever foreword in which a fascinating connection is made between Jewish mysticism and crime writing, and editor Raphael's introduction offers perceptive commentary on the origins of mystery stories in Jewish literature. A useful collection of ethnic crime fiction. Ilene CooperCopyright © American Library Association. All rights reserved

Not worth the time

I found this book to be thoroughly entertaining and its preface and introduction educational and enlightening. As a result, I plan to seek out more books by the authors whose stories appear in this book.

I enjoyed the quality of the stories and the variety of the Jewish experiences portrayed. I highly recommend this book.

It was a fun read for a window into the life and thought of Jewish characters and their approach to solving a mystery.

I am a mystery buff and found this anthology very satisfying. I will recommend to friends at shul. And my Rabbi!

Well, I chose this book because of the title... Now, I'm going to read it.

Thoroughly enjoyable story collection, most feature clever amateur sleuths such as the likeable Dr. Cory Cohen, a psychologist in "Silver is Better than Gold." Others feature professional detectives who, without their intention to do so are drawn into a puzzle. A few of the stories lack mystery, but manage to engage. One of my favourites is "Without a Trace," by Batya Swift Yasgur. As the old ad said, "You don't have to be Jewish to enjoy. . ."
