Customer Reviews

Unabridged CD Audiobook 14 CDs / 16 hours long... Narrated by Patrick Tull

Read the book a few years ago and enjoyed the book. Enjoyed the CD. I have other CDs in this series and enjoyed them too. Patrick Tull does an excellent job of bringing the characters to life with his various accents. I have a one hour commute to work and back every day and found myself looking forward to it so that I could hear the rest of the story in the car.
