Reader's Digest Bible For Children: Timeless Stories From The Old And New Testament

Synopsis

This breathtakingly beautiful book will be read by children for years to come. The stories are simply and gently told but retain all the poetry and power of the Bible. They have been carefully chosen for the images they evoke, the symbols they represent, and the mystery they contain. The illustrations, by world-famous artist Ulises Wensel, capture scenes from the Bible with wonder, humor, and affection. This is the most strikingly visual and readable childrens Bible ever produced. Includes glossary of names, places, and difficult Bible terms. Stories from the Old Testament: * Adam and Eve in the Garden of Eden * The Story of Noah * The Story of Moses * Young David and Goliath the Giant * Great King Solomon Stories from the New Testament: * A Cradle in a Manger * Jesus in the Temple * The First Disciples * Five Loaves and Two Fishes * The Last Supper Dimensions (inches): 8 1/2 x 11

Book Information

Hardcover: 165 pages

Customer Reviews

Grade 3-7?Cain, Abel, Isaac, Rebecca, Rachel, Leah, Joseph, Elijah, and Esther are only some of the many names missing from the Hebrew Scripture selections in this volume. The Christian Testament section omits the Good Samaritan, the Prodigal Son, Doubting Thomas, and Saul/Paul, among others. The brief text is dull and sometimes confusing (without the Joseph story, how do you explain the presence of Moses and the Israelites in Egypt?). Much space is occupied by Wensell's illustrations. They are competent, but seldom rise above the predictable, and bright colors alone fail to guarantee interest. Ann Pilling's The Kingfisher Children's Bible (Kingfisher, 1993), illustrated by

Kady McDonald Denton, is comparable in length, format, and reading level, but far superior in coverage, style (literary and graphic), comprehensibility, and artistic merit. Denton's watercolor vignettes pack more liveliness and originality into their multiple small spaces than Wensell generates in many square inches. In virtually every respect, The Kingfisher Children's Bible is a better book.?Patricia (Dooley) Lothrop Green, St. George's School, Newport, RICopyright 1995 Reed Business Information, Inc.

"Beautiful, interesting illustrations and lyrical text draw children into the stories." -- USA Today

The illustrations are absolutely beautiful!

very pretty and well illustrated but it could have contained more stories and something prophetic, but in children's terms, regarding Revelations.

I bought this used and couldn't really tell. It came promptly and looked great. Was well worth the saving to buy used.

I've been looking for the "perfect" children's Bible Book and am so glad I was lead to this book. My girls ages 4 & 5 love these stories and the pictures.

This is a beautiful book with large, historically accurate (almost) illustrations that engage children in the Biblical stories. Although it's not a complete Biblical overview, it does a great job. Because of the large illustrations, it's very good to use in classrooms discussions for elementary children.
