Big Island Of Hawaii Budget Restaurants And Value Dining With Hilo And The Kona Coast (Hawaii Restaurant Guide Series)

Synopsis

An Active Traveler's Guide to Affordable Dining on The Big Island of Hawaii

The Hawaii Restaurant Guide Series got its start ten years ago with a single print release on the top dining options in The Hawaiian Islands. It truly was a one-size-fits-all effort that included the full spectrum of cuisines and prices available across the chain. Eventually the book grew as reviews were added, but the increase in content came at a cost of portability. That's when we decided to divide the work up by county and our first edition became four. Meanwhile, we watched as a new technology called eBooks evolved on the horizon. For us this was a publisher's dream where we could slice and dice our subject matter into any number of categories and expand or contract the content at will. Compared to the cost and effort inherent in print books the eBook formats promised boundless freedom and creativity. Well, it might have taken ten years, but eBooks and eReaders have finally come of age. Our original concept involved developing a dining A-List covering all price ranges. That allowed us to report on everything from resort dining rooms to family-owned establishments but limited our reach into the neighborhoods. We wanted to include the better mom & pops so we expanded our criteria to an A/B-List. Even then some cultural dining icons fell through the cracks, but thanks to eBooks we found a way to deliver this, our best for budgets! This eBook was designed with smartphone viewports in mind. The entries have been condensed to fit the small screens found on the devices most of us carry around as a matter of course. Look on the lounge chairs near any pool in Hawaii and you'll see portable phones everywhere. People may not carry a stack of guidebooks or an expensive tablet with them, but that phone has become a "must have". Give Kindle for smartphones a try - it travels well!

2012 Hawaii Budget Dining - Kindle eBook Format - Optimized For Handsets

Book Information

File Size: 206 KB

Print Length: 133 pages

Publisher: Holiday Publishing Inc (January 9, 2012)

Publication Date: January 9, 2012

Sold by:Â Digital Services LLC

Language: English

ASIN: B006VPA2HY

Customer Reviews

Great addition to my library. And what a break to find it cheaper than any bookstore that I have searched.

Most of the eating places were out of the way places, would have appreciated info on the more popular places.

This is pretty much a dump of the phone book. It gives you the restaurant name, address, etc. It does use a rating system, but it says nothing about the food on the menu, what is recommended. Pretty much a waste of time and money (although it does not cost a whole lot).
