## Synopsis

Sliced, spliced and spread across a mountainous interior, Honduras is a collection of chaotic Latin cities, tropical sun-drenched beaches and swathes of beautiful hillside. Dive the stunning submarine world off the Caribbean coast, explore the cloud forest near Lago Yojoa or simply relax in a hammock in the Bay Islands; Footprint Honduras covers all the top attractions in this enchanting country, plus lesser-known sights off the beaten track. Provides recommendations for all budgets on where to eat, sleep and sample the best rum, as well as the low-down on adventure activities and scuba diving. A 'Essentials' section with practical advice on getting there and around. A 'Highlights' map so you know what not to miss. A 'Comprehensive listings' including where to eat, sleep and relax. A 'Detailed street maps for Tegucigalpa, Roatán & other key locations in the country'. Slim enough to fit in your pocket. Loaded with advice and information, this concise Footprint guide will help you get the most out of Honduras without weighing you down.

## Customer Reviews

We just returned from Honduras, where we intended to use this book. However, we found the information it contained to be so scant that we barely used it for a single place we visited; we looked up each location, but found very little of substance in the book. Rather, I suggest the traveler take the copy of the free Honduras guidebook that we found available at every hotel or lodge in which we stayed. *ÃƒÃ¢Ã  ¬Ã  œ yeah, sure, cheaper paper, but more information.* To find restaurants, lodging, or sights, just check out TripAdvisor or follow your nose. The only thing of value we found was that there was a very brief presentation of Honduran history.

It was ok

Excellent. It made our trip to Honduras more enjoyable. Price is right.
