## Customer Reviews

It is a great book but I found that it did not cover any military issued currency...I was a little unhappy about this because most of the currency I was looking up was military issued...In addition, I could not find any modern Canadian, Bermuda or Bahamas currency..

An excellent piece, very good condition

Exactly as described! Thank you!

Great Book!

Happy with purchase

I aquired some very odd notes and had no way to find their value..With this book I was able to grade and find a proper valuation for them as they were all listed..

Exceptional reference on world banknotes, a must have for all collectors.

very good.
