ISBN-13: 978-0030735462

Product Dimensions: 1.2 x 8 x 10.2 inches

Shipping Weight: 4.4 pounds (View shipping rates and policies)

Average Customer Review: 4.3 out of 5 stars 52 customer reviews

Best Sellers Rank: #231,577 in Books (See Top 100 in Books) #74 in [Books > Children's Books > Education & Reference > Science Studies > Botany](#) #868 in [Books > Science & Math > Chemistry > General & Reference](#) #921 in [Books > Textbooks > Science & Mathematics > Chemistry](#)

Grade Level: 9 - 12

Customer Reviews

Chemistry Textbook

Ok book. It is pretty clear and I like the chapter organizations; however, it is very dense at times. Could be a lot better and user friendly.

It is an excellently designed high school chemistry book, but it is really for AP chemistry.

Kid is planning to take AP chemistry class. This is the text book used in school. Got this for kid to study during summer time. I got a used one for less than a cost one coffee drink. The condition of the book is decent. For this price, I really don't have any complaint.

love it

My daughter was having difficulty in Chemistry, so I bought a student edition and the teachers edition to have at home. I am a teacher, however my Chemistry skills are very limited! It was great to have...and no excuses for not completing homework!

It's good

Book came in excellent condition!!

Excellent status & timely delivery
