Customer Reviews

My son struggles with reading, but really enjoyed this book and it was a perfect reading level for him. He is in 7th grade. Held his interest very well.

Good short book (125 pages). A good short summary of the life of Ghengis Kahn. Good read for all ages from Grade 8 on up.

I had no idea it was a children's book. I donated it to the local library.

If you don't have the time to read a tome on the subject this is the ticket. Brief and to the point.

Easy read for ages 10-12. My son used it for a book report and enjoyed it immensely.

It was a very good book i learned so much and it was also very short and once again it was good

very,very informative book on a great man of history

Fantastic!
