Contemporary Medical Office Procedures (Medical Assisting Exam Review: Preparation For The CMA, Rma, & Cmas)

Synopsis

This comprehensive worktext covers current administrative medical office procedures - both traditional and computer-related skills. The performance-based approach, complemented by realistic examples and application problems, offers you practical advice on managing required tasks - from patient relations and scheduling, to computerized financial management, to "21st-century" skills. What's more, real-life assessment methods help you systematically measure your progress along the way.
