Wanda Coven has always loved magic. When she was little, she used to make secret potions from smooshed shells and acorns. Then she would pretend to transport herself and her friends to enchanted places. Now she visits other worlds through writing. Wanda lives with her husband and

son in San Jose, California. They have three cats: Hilda, Agnes, and Claw-dia. Priscilla Burris has illustrated numerous books and materials for children, parents, and teachers. She enjoys cake painting and creating art for products that include murals, greeting cards, and rubber stamps. Priscilla lives with her family in Southern California.

Heidi Heckelbeck Is the Bestest Babysitter!

Do you enjoy magic? Can you do any magic tricks? The author, Wanda Coven, has written another un, entertaining book. Heidi Heckelbeck is my granddaughter's favorite book series. Granddaughter is seven, and everything Heidi does tickles her funny bone. Heidi is very active, gets into a fair amount of trouble, nothing too bad, but enough to entertain a child. In this book, Heidi gets to babysit. Now this is a very serious task. Do you think Heidi is up to it? Magic seems to be called for and that is right up Heidi's alley. Heidi's mom and Aunt Trudy get involved before anything is settled. When you read this book, you will find out exactly what happens. Adults will enjoy reading this book to their children. Or children of a certain age who know how to read will like reading this entertaining book. Magic takes place, and children will have a lot of questions. The illustrations by Priscilla Burris but are so well done, and they show that everyone will enjoy the antics of Heidi, her brother, her family and Aunt Trudy. A truly funny and entertaining book with a lesson to be learned. Recommended. prisrob 11-28-16
