The Power Of The Spirit

Synopsis

“In all my reading I have never found anyone who has so helped me in understanding the Scripture truth of the work of the Holy Spirit.”
•
“Andrew Murray Yearning for something beyond a mediocre and self-centered Christianity? Frustrated by the sterile intellectualism preached from many pulpits? Longing for the power of the Holy Spirit you have read about in books and believe is able to draw a wayward generation to Christ? Many of us are on our faces before God crying out for an awakening in our country and in our world. Law passionately shows us the path to this end from a solid Scriptural foundation. The Holy Spirit’s power is at our fingertips. It is within our reach. True awakening must start in our own hearts. It must start with us. Besides the Bible, it is difficult to think of a more needed and relevant book for the Church today.

Customer Reviews

When I bought this I thought it was going to be simply a modernized version of Andrew Murray's edition. I now find that Dave Hunt "draws upon several of Law's other books, including his well-known "A Serious Call...". When I buy a book, I don't need the editor's idea of "improving" it. I want the book as it was written. I would not buy this book again regardless of how "good" it is because it isn't authentic. Very unhappy. (I've read "A Serious Call" and loved it.) If anyone can tell me of a legitimate copy of this book I would appreciate it.

We need to share our experiences as the Holy Wind changes us, as we are changed from flesh to Spirit.

It was difficult to read. The font is extremely small. I was disappointed and returned.

This is a wonderful book! I highly recommend reading it as it explains very thoroughly and effectively just how much we as Christians are in need of the Holy Spirit.

The content of the book added little to my understanding of what it means to be "baptized in the Spirit." But, the quality of the book itself, prompt shipping,, and reasonable price, was worth having the book. Thanks. Steven B.

William Law shares insight the H.S. has given him on those things which hinder or aid the Church to become the Body of Christ, if heeded they will allow God an avenue to be expressed on this earth as He desires.

This is one of the best treatments of the works of the Holy Spirit that I have read. The editor makes the deep works of William Law much easier to read without leaving anything out.

After reading the un-edited version by William Law I think that Dave Hunt should have written as the author on the subject with references to Law's works.
