Three Pillars Of Protection (Excerpt): Simple Tools, Tips And Techniques To Help Community Association Directors And Managers Protect Their Florida Associations From Financial Loss

Synopsis

This book is an excerpt of a full director's guide, which is available only to community association clients of Insurance and Risk Management Services, Inc. of Naples and Fort Myers, Florida. This excerpt includes chapters 1, 2, 3, 4, 5, 6 and 11. Condominium associations in Florida are complex property ownership arrangements that are exposed to risk from many sources. This book is intended as a risk management guide to help Florida community association directors and managers reduce their associations' risk of financial loss. The risk management concept involves the purchase of insurance and the implementation of other measures designed to control costs by reducing accidents, injuries and lawsuits. This excerpt addresses general subjects such as the role of directors, managers and others in managing association risk, and how to effectively choose a risk management advisor.

Customer Reviews

Bought book thinking it was a risk management guide, found it to be more of an advertisement for an insurance company.
