Customer Reviews

As described -- fast shipping -- thank you!!

Great story. My 6 yr old granddaughter loved it.

I remember this from my childhood in the 80s, and my 4 year old loved it the first time I read it to him. He's mentioned it often and brings up concepts from this book (slavery, going to Canada to be free) multiple time. I liked it so much from the library that I bought it by to have on my shelf.

Very nice book for kids. My daughter love it. Came very well wraped and without damages. Would recommend this seller and book to every parent and kid looking for a nice book to read.

Unfortunately the larger one did not fit on our hotpoint range. The smaller ones did.

I used this book after reading a simple biography about Harriet Tubman and watching some U-Tubes about the folk song "Follow the Drinking Gourd" with an adult literacy class. Wonderful!!

This book would be wonderful for children with background info from teachers or parents. This is a gem!

Great book for kids.

Great book for teaching the story behind the song, "The Drinking Gourd". Book was also in excellent condition.
