# House Plants: How To Look After Your Indoor Plants: With Helpful Advice, Step-by-step Projects, And Inventive Planting Ideas

## **Synopsis**

Transform your home the easy way with more than 60 innovative and stylish ideas for creating indoor gardens. Small-space gardening expert Isabelle Palmer shows you how to create gorgeous terrariums and hanging gardens, and how to grow under glass and plant vertically, with helpful advice and techniques, as well as handy tips for taking care of your new house plants. Grow and display amazing aquatic plants in a deep vase, create a stunning fireside moss and fern display, group a variety of beautiful orchids in bright colors on a shelf, and plant some tiny jewel-like succulents for an easy and on-trend kitchen window scene. *House Plants* removes the mystery of taking care of plants and gives everyone a chance to enjoy the benefits and beauty of a garden indoors.

## **Customer Reviews**

Isabelle Palmer is the founder of The Balcony Gardener ([www.thebalconygardener.com](http://www.thebalconygardener.com)), an online company specializing in product ranges for small urban outdoor spaces—balconies, patios, containers, and terraces. Isabelle studied at Chelsea College of Art and Design, before embarking on a degree in Economics and working in PR. She has always been a keen gardener and began by using her own balconies to create a little green oasis. Confident that others would want to do the same, she started her successful business. She is based in London, UK.

pleased with seller and would recommend to others

fun and informative....great creative ideas for adding house plants to any home
