Customer Reviews

Matt Christopher is the best selling name behind more than 100 sports-themed books for young readers.

Came in great condition, definitely new. My 9 year old nephew loves Lebron and was stoked about getting to read this.

Christopher does an amazing job of writing books for boys at that difficult age when it can be difficult to get them interested in reading. Of course his fiction is a go to item for boys ages 8-12, but with this book and his other biographies, he even keeps them captivated with nonfiction. My son's school recently began requiring a certain amount of the assigned reading to be nonfiction, so Christopher's biographies were a life-saver for me. My 10 year old sports fanatic loves them, especially this one about his favorite player, LeBron James.

Excellence!

Great for kids.

My almost 13 yr old son enjoyed this book about LBJ. He is a huge fan. I bought it because it was a Matt Christopher...So I am pleased.

This book is great! Matt Christopher knows how to write a book geared towards the new reader. Great book for your little one that loves basketball and learning to read. Or for yourself if you aren't the best reader.

I highly recommend it for kids who want to be basketball players. I love the book. It is perfect for young ones!

It was an interesting insight into the life of a man whose potential was clearly evident early on and has been honed in a very good way. He truly tried to bring everyone else's game up by inspiring them with his own talent. Good Read!
