Chez Nous Media-Enhanced Version Plus MyFrenchLab (multi Semester Access) With EText -- Access Card Package (4th Edition)

Synopsis

Note: If you are purchasing the standalone text or electronic version, MyFrenchLab does not come automatically packaged with the text. To purchase MyFrenchLab, please visit: www.mylanguagelabs.com or you can purchase a package of the physical text + MyFrenchLab by searching for ISBN 10: 0205949452 or ISBN 13: 9780205949458. MyFrenchLab is not a self-paced technology and should only be purchased when required by an instructor. Upgrade your Chez nous experience! The Media-Enhanced Version of the Fourth Edition amplifies Chez nous' innovative treatment of grammar and focus on skills development with the addition of two exciting NEW videos and assignable online text activities in MyFrenchLab. Teaching & Learning Experience This program will provide a better teaching and learning experience for you and your students. Here's how: Improve Communication Skills: Chez nous' hallmark process approach to skill development is augmented by new opportunities to develop listening comprehension and writing skills via modern videos and assignable text activities in MyFrenchLab. Achieve Consistent Learning Outcomes: Learning objectives are clearly tied to communicative goals and learning can be personalized via MyFrenchLab. Save Time Administering Your Course: No other system offers the flexibility and personalization that MyFrenchLab does. Connect with Culture: Two new videos available only in MyFrenchLab engage students, bringing contemporary French language and culture to life.

Customer Reviews

"Overall, this is an excellent textbook - outstanding even...This can be the best introductory French textbook by far to date.Â I was extremely impressed with the comprehensive nature of the book and the detail.Â The authors truly did a remarkable job in creating this textbook.Â Chapeau!" ~Caroline Nash, Louisiana State University Â "The program works extremely well at my university.Â It has produced a high level of linguistic competency within the context of the first year of instruction in all four skills areas.Â In addition, it works very well with the global interests of many of our students.Â The book is also easy to teach from and works well with a variety of approaches." ~Jean Marie Schultz, University of California at Santa Barbara Â "Chez nous is one of the few books on the market that has given grammar the attention it deserves.Â The authors are clearly aware of the issues involving grammar pedagogy, and they have admirably integrated findings from the field of applied linguistics into the development of their grammar explanations and activities.Â I appreciate the fact that, usually, the activities are not mechanical drills; instead, they are developed in a way that attempts to mirror naturally occurring discourse." ~Stacey Katz, University of Utah

As you enter the fourth edition of *Chez nous*, you will enter the richness of the diversified French-speaking world. Bienvenue! Â Building on the success of earlier editions and anchored in the most current innovations in language instruction, the fourth edition of *Chez nous* offers a richly nuanced focus on the Francophone world through a highly integrative and process-oriented approach to the development of language skills that emphasizes the â œFive Câ ™sâ • and is consistent with the National Standards.

I bought this textbook for my foreign language credit at University. So far, I have no complaints. The book in combination with the online French Lab is a really excellent, intuitive experience. Apparently I'll be able to use this book through all three levels of French, and flipping ahead I think it'll be a good fit.

Did not include e-text access code.

I am a French Major and this book is fabulous. Ready to take my 2nd semester in French and this book will be with me the entire journey. Item as as described - New and wrapped Thank you

Really good for beginners

Originally, I purchased this bundle in a means to use the MyFrenchLab access code. When the package arrived the french lab access code was open and when I tried to register it I was unable to because the code was previously used. This is such a disappointment to have been misled by the title of this package. I recommend no one purchase this bundle. I hope to be fully reimbursed once this book and code is returned to the sender.

Did not include lab had to purchase that separately. What a rip off! Not as listed or advertised. Very disappointed.

The book was stated to come with an access code but did not, this is very disappointing.
