Customer Reviews

I am so glad I've started reading this series after several installment novels were written. I hate cliffhanger ending and don't have the patience to wait for the next novel in the series to be created. The shade series will draw the supernatural reader in on the first novel and take hold of them to the very end. They are fast reads . . . only because you can't place it down.

Bella manages to twist the story around BIG TIME in book 10 - leaving you with your mouth hanging open and anxious for more! Without giving away spoilers . . . 1. To the relief of many, you will get to re-visit a new favorite character who might just redeem himself (and of course, look hot while doing

it).2. You *don't* have to be patient as a certain evil someone begins to self-destruct (although I wouldn't mind helping that destruction along with a few smacks to her head).3. Then you *will* begin to wonder if what you thought was a new friendship was merely just a mirage . . . enter a character we had hoped was dead! (Maybe folks who die in the Shade books *don't* HAVE to stay dead???? Hint-hint, Bella.)4. And if you *are* like me, you *will* get quite a big giggle out of the antics of our favorite Queen of the Shade. (Let's just say she brings new meaning to *"finding your male side"*!)5. Bella uses her *"magic writing skills"* to somehow cause me to feel a bit of pity for my second most hated Shade character *I don't LOVE her, but I don't hate her quite as much* (not that I wouldn't pop her in the nose if given the opportunity, but . . .).6. Love and jealousy are in the air in this installment and we get to see a side of Aiden that we *didn't* know existed (you snooze, you lose Buddy!). Oh, and kudos to Yuri for making Claudia so happy that she has become the *"love doctor"*! This book was an absolute delight. The storyline continues to expand and is never what I expect (Bella is sneaky like that). I can't WAIT for Book 11!!! Thank heavens we won't have to wait for more than a few weeks . . . *don't* know if I could handle the withdrawal!

Bella Forrest has done it again. The pace is steady through the entire book and I couldn't put it down. I enjoyed the depth of the characters and how she has woven the stories together. She has also taken us on some twists and turns in the emotional story of Caleb which piqued my interest. I wasn't expecting the turn of events. Bella has a way of sucking you into the story and leading you where she wants you to go, while engaging you in the characters, leaving no one behind. She is an artist in her craft. Sofia has a moment of comical proportions in this book. Trust me, you won't be disappointed. Just be prepared to read it in one sitting because you won't be able to put it down.

It kept me wanting to read more... so 3 hrs later I finally put it down and went to bed because I had to go to work later that morning. It's a bummer to have to work, but I gotta pay for these books somehow. *~*

The best book yet! Unable to put it down, the characters come to life in this amazing roller coaster of a book that thrills you and leaves you wanting more! Bella Forrest never disappoints her Shaddicts

and all readers alike. A must read!

what can I say another completely wonderful story.. I loved this story as with all of this series ...That Rose is always getting into trouble lol...well done Bella...I will be looking for part 11 soon...It is so great to get so involved with the characters that a person can literally read one of Bella's book in a day..Bella you are such an awesome writer I will never forget that you sent me your first book in this series by PDF when I entered a contest that you had through Goodreads.. you have made a fan with me..I thank you for choosing me to have the pleasure of reading your first book..I was so amazed at your writing techniques and how your story flows so well..so thank you again Bella for never letting your fans down...keep up the good work

I'm not sure I have the right words for this installment of the Shade! There are so many things going on, and so many different ways it pulls at you! Not wanting to give any spoilers, I'll just say that this book is a must read! I love the characters in the Shade, and love that Bella has continued this series!!!! I'm stuck on the edge of my seat waiting for the next installment!!!

Omg!!!!!! I can't review every book,,,,,,, But I give the whole series 5 stars!!!
