Writing Mastery: How To Master The Art Of Writing & Write 3,000 Words Per Day - Overcoming Writer's Block (Make Money Online, Copywriting, Erotica Writing, ... Writing Mastery, How To Write A Book)

Synopsis

After You Read This Book Writer's Block Will Be A Thing Of The Past! Do you often find yourself struggling to write? This book will teach you the correct writing habits you need to sit down and write THOUSANDS of words at a time. The only difference between you and those massively successful authors are the writing habits and routines they have set for themselves. 3,000 Words Is A Goal, Not The Limit. 3,000 words per day is a realistic figure to aim for, however if you're a fast writer like myself the sky is the limit, some days I am able to write close to 10,000 words of high quality content simply by following the strategies I lay out to you in this book. Here's A Preview Of What You'll Learn: Tools of the Trade the essentials for high quality writing The big 3 traits of writers revealed Busting the myths of writing exposing the lies you've been told The 5 key habits of a wordsmith revealed and explained Dealing with writer's block, distractions and rejection How to use outlines and writing increments to reach your 3,000 (or more!) words per day goal Ready To Get Started? Download your copy today for only 0.99c and learn to how to consistently write high quality published work! -----Tags: Kindle Writing, Kindle Publishing, Blogging, How To Write, Improve Writing, Writing Mastery, Handwriting Improvement, Copywriting, Freelance Writing

Customer Reviews

It's probably a good book for some, but it didn't apply to me. instead of giving techniques on how to write a book, it gives techniques for writing a lot of words... but if you don't know what to write, then how can you write a lot of words? not something that this book helps with.

Few Nice good ideas and techniques explained in a simple and lucid manner which is easy to understand for the novices...

Very little of worth in this book. The sub-headings were okay but it was like the author wrote a list and then waffled pointlessly on about the value of things on the list (such as paper and pens!) rather than taking the reader through the process the title promises. This book is not going to help you learn to write more. A more meaty and practical book, like Rachel Aaron's "2k to 10k" which actually takes you through her process and how she upped her writing totals, would be better value for your money.

I found the section on creating good habits helpful to my writing but I would like to have seen more in depth help on writing the 3000 words a day. the section on outfling makes sense but I 've never used an outline to write and seem to do fine without it. Outlining just isn't my thing. What works for one does not always work for another.
